

I listen to KLOVE radio station every day - morning, noon and night. My children listen to this station as much as I do. I do not know what I would do without it. There are also many people that I work with that rely on this station every day. If KLOVE were replaced by an LPFM broadcaster I do not know what I, or many others in my area, would do. It would leave a huge void in our daily lives. KLOVE basically gets us through each day with their uplifting messages of love and acceptance. I do not trust any other radio station for my children (ages 11 and 13) to listen to. There is way too much "garbage" on the air today. KLOVE is one of the few exceptions and the ONLY exception in my area. Thank you.
